

# The Guard Dog Illusion!

## How to make the illusion:

Follow steps 1 - 5 to cut out and fold the guard dog illusion.

Tape each tab to the back of the dog's mouth, as shown in the image to the right.

From behind...

## How to see the illusion:

Stand the dog upright, making sure its face is evenly lit with light.

Close one of your eyes, stand 1 meter away, and stare into the dog's eyes...

Keep staring into its eyes as you move around. The dog should appear to follow you... Woah!
